Have you a "stunt" musical instrument in your home? Unless it's encased there by sentiment, let a "for sale" ad in the Bonanza find a buyer for it.

If it's of exceptional value at the price, it's sure to be advertised in the Bonanza, else the merchant would be hopelessly unprogressive.

**DESCENDENT OF KINGS FORCED TO COOK FOR REBELS**

T. F. O'GRADY, INSURANCE MAN, RELATES HARROWING TALE OF WOE

T. F. O'Grady, representing the Fire Association of Philadelphia, and one of the best known insurance representatives in the west, arrived in Tonopah this morning for a few days' stay. Notwithstanding the fact that his name indicates he is a descendant of one of the four kings of Ireland—O'Grady, O'Donnell, O'Connell and O'Toole—he is extremely reticent about admitting his royal ancestors and will more readily admit that his paternal predecessors were engaged in transporting food and mortar from one point to another.

During the recent Mexican revolution O'Grady was in Mexico City when the hostilities were at their height. He was warned to return to American soil without delay and boarded a train with several hundred other refugees. The train was stopped by rebels and all passengers were forced to disembark. Many were slaughtered as they left the car steps, and O'Grady, not wishing to come in contact with a rebel bullet, left the car by means of a window. He escaped the rebels and for two days and nights wandered about a desolate country until captured by a wandering band of Zapatista revolutionists. For two weeks he was forced to remain with this outfit as a prisoner. In one engagement the cook of the commanding officer was killed and O'Grady was forced to take his place and supply the officers' table with culinary inventions, such as Mexican beans and other dishes demanded by his captors. After remaining a prisoner for six weeks O'Grady made his escape and fortunately encountered a band of federal scouts after one day's wanderings. He was assisted to the Mexican border and arrived at El Paso just two months from the date he left Mexico City.

Hereafter, in his official travels O'Grady declares he will eliminate Mexico until conditions are such that a peaceful law abiding person can travel in peace and not be forced to cook beans for a bunch of dirty, ragged rebels. O'Grady is waiting for the rebels to take possession of Mexico and set up their own government when he will send in a bill for six weeks' labor as cook of the Zapatista rebel camp.

**LOCAL MARKSMEN ARE SECURING MANY TURKEYS**

Many Tonopah homes are being supplied with turkeys for the Thanksgiving dinner from the Warren brothers ranch at Wabuska. W. G. Warren, who is conducting the turkey shoot in this city, is receiving 50 birds daily from his home ranch and that the marksmen are meeting with success is revealed by the fact that each day's consignment of turkeys is exhausted with the end of the day's shooting.

The shoot is being conducted back of the power company sub-station and is being visited by large crowds each day.

**TWELVE MEXICANS KILLED**

EL PASO, Nov. 22.—In a battle near Madera, Chihuahua, federales under General Jose Blanco yesterday defeated two bands of rebels commanded by Ricardo Terrazas and Juan Ramos, killing 12 rebels, including both leaders, according to a report received today by General Tracy Aubert in Juarez. Federal losses were not given. The reported killing of General Antonio Rojas by Blanco's rurales is denied in Juarez.

**DRUGGIST RECOMMENDS****VINOL FOR RUN-DOWN PEOPLE**

If any one person should know the value of medicines it is the druggist who dispenses them and from our experience we want to say if people in this vicinity only knew the value of Vinol, our delicious cod liver and iron tonic (without oil) at this season of the year, we would not be able to supply the demand.

This is because Vinol is a combination of the two most world famed tonics, namely, the medicinal curative elements of cod's livers without the oil, and iron for the blood.

Vinol tones up the digestive organs purifies and enriches the blood, promotes healthful sleep and a normal appetite.

Old people, delicate children, run-down, overworked and tired women, should try a bottle of Vinol with the understanding that your money will be returned if it does not help you. Miners' Drug Store, Inc., Tonopah, Nevada. 17-adv.

**Eckman's Alternative Highly Praised**

It is folly to believe that Consumption differs from every other disease in not requiring the use of any medicine for its treatment. For a number of years an enormous mass of voluntary and thankful testimonials from persons who consider that they owe their lives to Eckman's Alternative, a medicine for Tuberculosis, has been accumulating. Surely plenty of time to demonstrate its lasting value. You can write to any of them. Here is one:

5223 Girard Ave., Phila., Pa.  
"Gentlemen: In the winter of 1903 I had an attack of Grippe, followed by Pneumonia and later by Consumption. I grew steadily worse. In the winter of 1904 I had a cough, night sweats, fever and raised quantities of awful-looking stuff and later I had many hemorrhages, at one time three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened, until entirely gone. I am perfectly well. Everything I say here can be verified by my family and friends."  
(Sworn Affidavit)

ANNE F. LOUGHRAN.  
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles and in the up-building the system. Does not contain poisons, opiates or habit-forming drugs. For sale by leading druggists. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence.
